

Sea Tides: Womens Fiction Saga (Seafarers Book 2)

At the conclusion of Ruth Hays Sea Changes there remained unanswered questions. Would Emilys and Victors new romance survive the realities of life on land, including the reactions of sister Gwen? What lies in store for young Samuel after the steep learning curve of his first weeks as a cruiseship crew member? Will the Shearlington Lottery Club group succeed in bringing a viable business to their deprived town? These, and other questions, will be answered in the sequel, Sea Tides, together with more interesting characters and the plot twists you have come to expect from the pen of this author who is currently working on her twelfth novel.
