

TRAVEL GUIDE SOUTH AFRICA -Important Links and Pictures - Cape Town, Kruger Park, Garden Route, Pretoria - Personal experiences

Two weeks are not enough to visit South Africa with its unforgettable coasts and mountains, as well as many National Parks and Animal Reserves along the Garden Route. Enjoy my humorous guide with helpful links for a wonderful time there. Here I have written about my trip and included some photos. I want to help others know that you can travel secure and feel safe in South Africa and that the nature there, as well as the animals, are worth seeing.
