

Frankenstein, or the Modern Prometheus - c1830 (illustrated) (Classics) (Volume 1)

English writer Mary Shelley is best known for her horror novel *Frankenstein, or the Modern Prometheus* (c1830). She was married to poet Percy Bysshe Shelley. The blood flowed freely in my veins, but a weight of despair and remorse pressed on my heart, which nothing could remove. Sleep fled from my eyes; I wandered like an evil spirit, for I had committed deeds of mischief beyond description horrible, and more, much more (I persuaded myself) was yet behind. *Frankenstein* is one of the most amazing horror stories ever written and takes the reader into an unknown world of mystery. The movements of Gothic and Romantic, a disturbed genius, a scientist determined to create life and so, the monster *Frankenstein* was born.
