

The Murders in the Rue Morgue (A Vintage Short)

A Vintage Shorts Short Story Month Selection
The precursor to Sherlock Holmes and Hercule Poirot: Monsieur C. Auguste Dupin is blessed with the gift of intuition, and he puts it to the test after a horrible murder in the Rue Morgue. The Murders in the Rue Morgue is thought to be the first modern detective story, published by Edgar Allan Poe in 1841. In this classic tale the detective demonstrates the ineptitude of the police, the value of reason, and how its the seemingly least important details that often matter most. A landmark in the history of detective fiction. Selected from Vintages compact selection of Poes greatest work, Great Tales and Poems. An eBook short.
