

## Rabbit at Rest (Penguin Modern Classics)

Its 1989, and Harry Rabbit Angstrom is far from restful. Fifty-six and overweight, he has a struggling business on his hands and a heart that is starting to fail. His family, too, are giving him cause for concern. His son Nelson is a wreck of a man, a cocaine addict with shattered self-respect. Janice, his wife, has decided that she wants to be a working girl. And as for Pru, his daughter-in-law, she seems to be sending out signals to Rabbit that he knows he should ignore, but somehow cant. He has to make the most of life, after all. He doesnt have much time left ...
