

Sonnets and Poems (Fine Edition)

Shakespeare's sonnets and poems are perhaps the most precious words of poetry in English. With the finest lines ever written about love and desire, they have shaped the way emotions are expressed. This edition of sonnets and poems includes the narrative poems Venus and Adonis and The Rape of Lucrece, which established Shakespeare's reputation when they appeared in 1593 and 1594. Next is the short poem The Phoenix and the Turtle, which appeared alongside the work of others in the 1601 collection Loves Martyr. The sonnets, all included here, were published in 1609, as was the last poem, A Lovers Complaint. The dazzling cover design is by Whites Books own David Pearson, one of Britain's Top 50 Designers as selected by the Guardian.
