

## Fleximap Tokyo (Fleximaps)

Fleximap Tokyo includes 5 maps: the main map is a detailed street map of central Tokyo (1 : 16 000) with points of interest and general tourist information clearly marked. A smaller scale map of the Tokyo area (1 : 115 000) provides a useful overview of the city, and there are also maps of Japan (1 : 18 000 000), Central Honshu (1 : 3 500 000), and of the city's transportation system. In addition to the mapping, Fleximap Tokyo also includes a list - with descriptions and photographs - of 28 recommended sights, divided by theme and linked to the mapping by numbered markers. There is also a handy information section with concise details on getting around the city, tourist offices, money, tipping, opening times, public holidays, telecommunications, emergency telephone numbers, and climate.
