

## A Little Princess

Sarah, a smart, beautiful, kind and helpful little girl, lost her mother when she was young and lives a rich life with her father. At the age of 7, her father sends her to a British school and she lives a princess-like life. An accident takes the life of her father and changes her life completely. Since then, she has become a poor girl. However, she is not terrified by difficulties. With her kindness and fine quality to be always ready to help people, she wins respect and love and becomes a true princess.
