The Definitive Edition of AFTER DARK SIX TALES OF MURDER, MYSTERY, AND INTRIGUE -Illustrations from the period to bring the story to life. -Complete, unabridged, and formatted for kindle to improve your reading experience -Linked table of contents to reach your chapter quickly Wilkie Collins scandalised Victorian Britain with his sensationalist novels about fallen women, marital bigamy and illegitimacy. Daily Mail Intriguing and delightfully written. Annamarie I really got a kick out of reading these short stories. They were well written, well paced and while peppered with Dickens-esque characteratures, they didnt dominate the story. Kate Its a page turner once you reconcile yourself to the audience and time it written for. That said time has not aged the stories at all. Dont start reading this at bedtime! Marie AFTER DARK features Wilkie Collins first ever collection of short stories. These six tales of murder, scandal, and mystery will intrigue and delight you. Read them as theyre meant to be read: complete, and unabridged with illustrations from the period.
