

After-Supper Ghost Stories

As they relax after dinner on Christmas Eve, the members of a family and their guests turn to telling ghost stories. These ghoulish accounts range from the melancholy to the macabre, and get increasingly bizarre as the ghosts leap out of the tales and make an appearance in the familys home. Fact and fiction, the real and unreal collide, until the reader is not sure who is haunting whom. A masterful work of comic horror, Jerome K. Jeromes After-Supper Ghost Stories is a witty look at why Christmas Eve is so perfect for ghost stories and why ghosts love the Yuletide season.
