

All Roads Lead to Calvary

Joan is a smart and independent woman working as a journalist in London. She has grand plans for her future, dreaming of the day when she publishes her novel. However, when the war comes, she decides to go for the adventure of it. When she's there, she realizes that war is not all the romantics say it is. Jerome K. Jerome is a satirist best known for *Three Men in a Boat*. He also joined the war effort at the age of fifty-six as an ambulance driver in the French Army.
