

Jasper Shrig Series Book 1 & 2 The Amateur Gentleman, Peregrines Progress.

JASPER SHRIG BOOKS 1 & 2 THE AMATEUR GENTLEMAN & PEREGRINES PROGRESS THE AMATEUR GENTLEMAN The format of the novel is essentially that of a bildungsroman. It tells the story of Barnabas Barty, the son of John Barty, the former champion boxer of England and landlord of a pub in Kent. At the start of the tale Barnabas comes fortuitously into the possession of a vast fortune - ?700,000, an astronomical amount by Regency standards - and determines to use this fortune to become a gentleman. His father objects to this plan and they quarrel, and settle their differences in a round of fisticuffs, which Barnabas wins, beating his father fair and square. Barnabas sets off for London in the furtherance of his ambitions and on the way there contrives to make a number of influential friends and enemies. Farnol ploughs an uncomfortably dualistic furrow vis-a-vis his protagonist. He ruthlessly exploits the naivety of the youth to comic effect, for instance the youth is gulled by the chapman who sells him a book on etiquette at an outrageous mark-up, and Farnol makes much play of this. At the other end of the spectrum, Farnol is equally disdainful of Barnabas sophisticated concealment of his identity. PEREGRINES PROGRESS I remember waking to find myself very miserable in a ghastly dawn, where guttering candles flickered in their sockets, casting an unearthly light upon bottles, silverware, and more bottles that stood or lay amidst overturned and broken glasses; an unseemly jumble that littered a long table whose rumpled cloth was plentifully besplashed with spilled wine and flanked by empty chairs.
