

The Grand Inquisitor (annotated)

The Grand Inquisitor is a parable in Fyodor Dostoyevsky's novel *The Brothers Karamazov* (1879/1880). It is told by Ivan, who questions the possibility of a personal and benevolent God, to his brother Alyosha, a novice monk. The Grand Inquisitor is an important part of the novel and one of the best-known passages in modern literature because of its ideas about human nature and freedom, and its fundamental ambiguity.
