

# Anna Karenina

Anna Karenina is a novel by the Russian writer Leo Tolstoy. Widely regarded as a pinnacle in realist fiction, Tolstoy considered Anna Karenina his first true novel, when he came to consider War and Peace to be more than a novel. Soon after meeting her at dinner, Tolstoy began reading Pushkins prose and once had a fleeting daydream of a bare exquisite aristocratic elbow, which proved to be the first indication of Annas character. Fyodor Dostoevsky declared it to be flawless as a work of art. His opinion was shared by Vladimir Nabokov, who especially admired the flawless magic of Tolstoys style, and by William Faulkner, who described the novel as the best ever written. The novel is currently enjoying popularity as demonstrated by a recent poll of 125 contemporary authors by J. Peder Zane, published in 2007 in The Top Ten, which declared that Anna Karenina is the greatest novel ever written.
