

## Anne of Green Gables

Anne of Green Gables is a bestselling novel by Canadian author Lucy Maud Montgomery published in 1908. It was written as fiction for readers of all ages, but in recent decades has been considered a childrens book. Montgomery found her inspiration for the book on an old piece of paper that she had written at a young age, describing a couple that were mistakenly sent an orphan girl instead of a boy, yet decided to keep her. Montgomery also drew upon her own childhood experiences in rural Prince Edward Island.
