

## Fifty Poems of Emily Dickinson: Volume II

After Emily Dickinson's death in 1886, her sister discovered 1,775 poems bound in small packets - a collection that is now considered some of the best poetry in the English language. Fifty of Dickinson's most penetrating and insightful works are gathered in Volume II of this praiseworthy series. Among the many treasures in this collection are *Angels in the Early Morning* and *Your Riches Taught Me Poverty*. Read by award-winning actresses Jill Eikenberry, Nancy Kwan, Melissa Manchester, Sharon Stone, Jean Smart, Meryl Streep, and Alfre Woodward, these poems radiate with a burning intensity and gentle understanding seldom found in literature.
