

ARIZONA AMES

From Mescal Ridge the jagged white teeth of the ranges pierced the blue sky on three horizonsto the west the wild ragged Mazatzals; to the south the lofty symmetrical Four Peaks; and far away to the east the dim blue-white Sierra Ancas. Behind and above Mescal Ridgeforbiddingly close the rarefied atmosphere made ittowered the black-fringed, snow-belted rim of the Mogallan Mesa, blocking the whole north with its three hundred miles of bold promontories and purple canyons.
