

Avant Guide Las Vegas: Insiders Guide to Progressive Culture with Booklet (Avant-Guide Las Vegas: Insiders Guide for Urban Adventurers)

Avant-Guide presents a style-driven guide to the worlds largest adult playground. Presenting tips for finding the best bars and clubs for after-hours carousing and the casinos with the best odds and the hottest cocktail waiters and waitresses, Avant-Guide Las Vegas is like no other travel guide to Sin City. This book explores everything you need to know about dining in Vegas, including celebrity chefs, top food, in-style scenes, cheap steaks, the best buffets, late-night dining, and more. Among the suggested lodging and itinerary options is the Mandalay Bay hotel on the Strip, where you can raid the minibar before heading downstairs for some action. There, you can take a few spins on the roulette wheel, get comped for a first-class meal at Aureole, Lupo, or another a world-class restaurant, and then delve into the night at Ghostbar atop the Palms or another rooftop bar. Afterward, go to Flyaway Indoor Skydiving, where they have a jet engine embedded in the floor. Then, just before sunrise, head downtown to Binions or the Four Queens for an ironically cheap steak-and-eggs breakfast. And thats just day one.
