

Beowulf

Long ago there was a Scandinavian warrior who fought three evils so powerful they could destroy whole kingdoms. Standing head and shoulders above his comrades, Beowulf single-handedly saves the land of the Danes from a merciless ogre named Grendel and then from his sea-hag mother. But it is his third terrible battle, with the death-dragon of the deep, in which he truly meets his match. Lovers of heroes, monsters, and the drama of battle will find this retelling as enthralling as it is tragic.
