

Time Out Las Vegas 3

Re-organized to reflect the rapid pace of change in one of Americas fastest-growing cities, this third edition of the guide to Las Vegas leads the reader from the glitz of the Strip to the hidden gems of local Las Vegas to uncover the citys unique combination of kitsch and class. The guide includes: comprehensive reviews of the major casinos - where to gamble, where to stay, where to eat and where to shop; an introduction to casino gambling with beginners tips; reviews of the dining options from bargain buffets to world-class restaurants; profiles of Las Vegas legends of the past; and details of out-of-town destinations such as Hoover Dam, the Grand Canyon, and Death Valley.
