There have been many ingenious twists on the motif since it first flourished in the late 1890s and early 1900s, as can be seen in the classic collection that makes up British Mystery Multipacks Volume 8 Locked Room Mysteries: The Big Bow Mystery by Israel Zangwill Regarded as the first full-length locked room mystery, the novel focuses on a murder that has occurred inside a locked room, with no clear indication as to the weapon used, the perpetrator of the horrendous crime, or a possible escape route.
