

Moni the Goat Boy and Other Stories

The baths of Fideris lie halfway up the mountain side, overlooking the long valley of the Prattigau. After you leave the highway and climb a long, steep ascent, you come first upon the village of Fideris, with its pleasant green slopes. Then, ascending still higher into the mountains, you at length come upon the lonely hotel building in the midst of rocky cliffs and fir trees. Here the region would indeed be rather dreary looking were it not for the bright little mountain flowers that shine forth everywhere from the low grass.
