

The Intoxicated Ghost

It was not her beauty which made Irene Gaspic unusual, although she was bewitchingly pretty; nor yet her wit, her cleverness, or her wealth, albeit she was well endowed with all these good gifts: other girls were pretty, and wise, and witty, and rich. It was something far more piquant and rare which marked Irene as different from her mates, the fact being that from her great-aunt on the mothers side, an old lady who for nearly ninety years displayed to her fellow-mortals one of the most singular characters possible, Irene had inherited the power of seeing ghosts.
