

## Bluewater Ice (Bluewater Thrillers Book 4)

Dani Berger and Liz Chirac have a new charter guest aboard their yacht. Having booked Vengeance on extremely short notice, Connie Barrera boards in Nassau and wants to depart immediately for the eastern Caribbean. Its unusual for a woman traveling alone to book a two-month charter, but Liz and Dani are pleased to discover that Connie is an easy shipmate, eager to learn all that she can about voyaging under sail. The three quickly become friends, but Dani and Liz are a bit perplexed by Connie's occasional moments of paranoia. Connie Barrera has a secret; she's brought aboard more than just her luggage. Bluewater Ice is the fourth book in the Bluewater Thriller series.
