

Shorts Iii

The most prestigious short story competition in Britain led to the publication in 1998 of the first volume of *Shorts*, which was a number one bestseller for six weeks in Scotland. This is now the third collection to follow that initial success. Having already launched the writing careers of several new authors, this years collection, selected from over 2,000 entries to the Macallan and Scotland on Sunday Short Story competition, represents the cream of Scottish writing. Edited and selected by the award-winning author, Ali Smith, this volume brings together established writers alongside a wealth of talented new voices.
