

Backpacking With Chad In Nepal: A travel journal: An Americans stories from traveling around the world (Volume 2)

Backpacking With Chad In Nepal Volume 2 of An Americans Stories From Traveling Around The World After his adventures in India, Chad Thomson travels to Nepal on the next leg of his round the world backpacking trip. Unfortunately he loses his Nepal guidebook along the way, so he must travel Nepal on his own, without guidance or help. Will he manage to get around? Will he be ripped off? Can he find the cool-but-reasonably-priced backpackers bars in Kathmandu without his trusty Lonely Planet to help him? And what about the Everest Base Camp trek? Can he complete the trek despite the presence of the annoying Tara and her beautiful friend Barbara? Did he really eat buffalo dumplings? What does Sagarmatha really mean? Come Backpacking With Chad In Nepal and find out! About Chad: Chad Thomson is just a typical American leaving the comforts of his home country to travel the world. He was inspired to write about his adventures after reading the many, many travel blogs online. He writes travel stories and articles at www.backpackingwithchad.com This is his story.* *not the whole story, just the part that takes place in Nepal.
