

Cinderella

At the end of an enchanted evening a glass slipper is lost, but true love is found. Young and beautiful, Cinderella is forced to work as a servant, and as the day for the royal ball approaches, she fears that she will not be allowed to attend. But with the help of a fairy, a single magical night brings her to the attention of a prince and changes her life forever. Charles Perraults Cinderella, or The Little Glass Slipper, and the Brothers Grimms Ashputtel are the original inspiration for Cinderella, a story that has enchanted children for centuries.
