

## Gullivers Travels (Websters Slovak Thesaurus Edition)

Websters paperbacks take advantage of the fact that classics are frequently assigned readings in English courses. By using a running English-to-Slovak thesaurus at the bottom of each page, this edition of Gullivers Travels by Jonathan Swift was edited for three audiences. The first includes Slovak-speaking students enrolled in an English Language Program (ELP), an English as a Foreign Language (EFL) program, an English as a Second Language Program (ESL), or in a TOEFL® or TOEIC® preparation program. The second audience includes English-speaking students enrolled in bilingual education programs or Slovak speakers enrolled in English-speaking schools. The third audience consists of students who are actively building their vocabularies in Slovak in order to take foreign service, translation certification, Advanced Placement® (AP®) or similar examinations. By using the Rosetta Edition( when assigned for an English course, the reader can enrich their vocabulary in anticipation of an examination in Slovak or English.
