

Pierre: or, The Ambiguities

Pierre Glendinning is the nineteen-year-old heir to the manor at Saddle Meadows in upstate New York. Engaged to the blonde Lucy Tartan in a match approved by his domineering mother, Pierre encounters the dark and mysterious Isabel Banford, who claims to be his half-sister, the illegitimate and orphaned child of his father and a European refugee. Driven by his magnetic attraction to Isabel, Pierre devises a remarkable scheme to preserve his fathers name, spare his mothers grief, and give Isabel her proper share of the estate.
