

Doctor Zhivago

In celebration of the 40th anniversary of its original publication, here is a new translation of the classic story of the life and loves of a poet/physician during the turmoil of the Russian Revolution. Taking his family from Moscow to what he hopes will be shelter in the Ural Mountains, Zhivago finds himself instead embroiled in the battle between the Whites and the Reds. Set against this backdrop of cruelty and strife is Zhivago's love for the tender and beautiful Lara: pursued, found, and lost again, Lara is the very embodiment of the pain and chaos of those cataclysmic times.
