

MS. Found in a Bottle (Annotated Edition)

MS. Found in a Bottle is an 1833 short story by American writer Edgar Allan Poe (1809-1849). The plot follows an unnamed narrator at sea who finds himself in a series of harrowing circumstances. As he nears his own disastrous death while his ship drives ever southward, he writes an MS., or manuscript telling of his adventures which he casts into the sea. The ebook contains a long note on Poes life and work written by French poet Charles Baudelaire (1821-1867) in 1852. The essay was translated in English by Henry Curwen (1845-1892).
