

Elizabeth McGovern reads Little Women: Famous Fiction

Elizabeth McGovern reads this classic American novel. Little Women is one of the best-loved childrens stories of all time, based on the authors own youthful experiences. It describes the family life of the four March sisters living in a small New England community. Christmas wont be the same this year for Meg, Jo, Beth, and Amy, as their father is away fighting in the Civil War, and the family has fallen on hard times. Meg, the eldest, is pretty and good-natured; Jo, the tomboy, nurses an ambition to be an author; Beth is a delicate child of 13 with a taste for music and Amy, the baby of the family, is a blonde beauty of 12. The story of their domestic adventures, their attempts to overcome their poverty, their friendship with the neighbouring Lawrences, and their later love affairs has been treasured for generations.
