

Ethan Frome (Spanish Edition)

Ethan Frome es una novela que fue publicada en 1911 por la estadounidense ganadora del Premio Pulitzer Edith Wharton. Narra la vida del personaje del mismo nombre. Los hechos tienen lugar en la Nueva Inglaterra del cambio del siglo XIX al XX, en una ciudad ficticia denominada Starkfield, Massachusetts. La trama se centra en una trágica historia de amor entre personas corrientes. En opinión de muchos críticos, este libro alcanza, por su sencillez, una universalidad que no tienen sus novelas de sociedad.
