

## Alice in Wonderland (English and German) + The Story of Lewis Carroll (Bilingual Gold Edition 1) (German Edition)

Gold-Edition in English and German! Wonderful Illustrations by John Tenniel and Arthur Rackham PLUS The story of Lewis Carroll by Isa Bowman. Alices Adventures in Wonderland (commonly shortened to Alice in Wonderland) is an 1865 novel written by English author Charles Lutwidge Dodgson under the pseudonym Lewis Carroll.[1] It tells of a girl named Alice who falls down a rabbit hole into a fantasy world populated by peculiar, anthropomorphic creatures. The tale plays with logic, giving the story lasting popularity with adults as well as children.[2] It is considered to be one of the best examples of the literary nonsense genre,[2][3] and its narrative course and structure, characters and imagery have been enormously influential[3] in both popular culture and literature, especially in the fantasy genre.
