

Eyeless In Gaza (Vintage Classics)

WITH AN INTRODUCTION BY DAVID BRADSHAW Anthony Beavis is a man inclined to recoil from life. His past is haunted by the death of his best friend Brian and by his entanglement with the cynical and manipulative Mary Amberley. Realising that his determined detachment from the world has been motivated not by intellectual honesty but by moral cowardice, Anthony attempts to find a new way to live. Eyeless in Gaza is considered by many to be Huxley's definitive work of fiction.
