

## Face Value: Cincinnati Handbook to Discount Shopping

Its been on Cincinnati best seller lists for a year. Face Value seeks out the real bargains behind the discounting arena in this retail-crazed city. Hegner drove around the city again and again, hitting every major commercial area, every strip mall and factory outlet, and every road that could possibly lead to a discount. Through back alleys, down dusty gravel roads to manufacturers plants, and to parts of town even the heavily armed wouldnt want to drive, she canvassed Cincinnati and Northern Kentucky. And it cost her. Irresistible bargains gave in to temptation: four trunk loads that included golf bags, a 25lb. box of peanuts, a leather skirt, two push brooms, pounds of day-old baked goods, tee shirts, sweatshirts, wire cleansing brushes, an illuminated microscope, 24 pairs of socks, and a storm door. Who knows how much she spent. The important thing is how much she saved. 224 pages.
