

## Frankenstein (Annotated - Classic)

Original classic, unabridged. Frankenstein by Mary Shelley has been a classic horror story for nearly 200 years. Originally published in 1818, Frankenstein is a story about a young scientist, Victor Frankenstein, who creates life within the creature he had been working for two years. Eight feet tall and yellow skin and yellow eyes, Victor believes disaster is imminent. Mystery, mayhem and murder, all intertwined in this masterpiece by Shelley. Then when you think all is safe - the creature then requests Victor to create him a female companion. This first-of-its kind horror story will leave you on the edge of your seat and chills tingling up your spine. This eBook is a must-have for your classic horror collection.
