

George Eliot: Middlemarch - Silas Marner - Amos Barton

Three masterpieces from one of the Victorian eras most celebrated feminist novelists. Middlemarch, Eliots most famous work, paints a rich and complex portrait of English society. In Silas Marner, an embittered man retreats from the outside world, thinking only of work and money. Then his wealth is stolen, and a young foundling comes into his life and changes everything. Also included: the short story Amos Barton.
