

## Great Short Works of Fyodor Dostoevsky (Harper Perennial Modern Classics)

The shorter works of one of the worlds greatest writers, including *The Gambler* and *Notes from Underground* The short works of Dostoevsky exist in the very large shadow of his astonishing longer novels, but they too are among literatures most revered works. *The Gambler* chronicles Dostoevskys own addiction, which he eventually overcame. Many have argued that *Notes from Underground* contains several keys to understanding the themes of the longer novels, such as *Crime and Punishment* and *The Idiot*. Great Short Works of Fyodor Dostoevsky includes: *Notes from Underground* *The Gambler* *A Disgraceful Affair* *The Eternal Husband* *The Double* *White Nights* *A Gentle Creature* *The Dream of a Ridiculous Man*
