

Allan and the Holy Flower by H. Rider Haggard (World Cultural Heritage Library)

ALLAN AND THE HOLY FLOWER is #7 in the Allan Quatermain series by H. Rider Haggard. Allan is off on another adventure in the heart of darkest Africa. Allan and his men discover that the priestess of the flower god of the Pongos is a white woman, and that she may be the vanished wife of John Eversley. Henry Rider Haggard (1856-1925) was an English writer of adventure novels set predominantly in Africa, and a founder of the Lost World literary genre. Haggard is most famous as the author of the novels KING SOLOMONS MINES and its sequel ALLAN QUATERMAIN, and SHE and its sequel AYESHA, swashbuckling adventure novels set in the context of late 19th century Africa. Hugely popular KING SOLOMONS MINES is one of the best-selling adventure books of all time. This unexpurgated edition contains the complete text, with minor errors and omissions corrected.
