

Haunted Bali: Seven Terrifying True Stories of the Authors Close Calls in Today's Bali with Voodoo, Black Magic, Ghosts and Real Vampires

Seven Terrifying True Stories of the Authors Close Calls in Today's Bali with Voodoo, Black Magic, Ghosts and Real Vampires! Every story is fully documented, including how when sitting U.S. President Ronald Reagan & First Lady Nancy visited Bali in 1986 they participated in a secret Voodoo ceremony where the President had a near-death experience that changed him forever! You'll be shocked to learn of the verified existence of a band of female blood-sucking vampires hiding in plain sight - the author actually interviewed one and it's all part of this book! Read the amazing tale of the Parents From Hell who sold their 8-year-old son to the Devil. You'll learn the magic tricks Bali prostitutes still use to separate tourists from their money. This is the unseen underbelly of Bali that you must read before you fly there. And if you're simply an armchair traveler this is one very scary read. Be sure to keep the lights on! This book gives Stephen King some stiff competition.
