

Heidi (Gift Edition)

Heidi is a Swiss work of fiction, published in two parts as (1) Heidi's years of learning and travel and (2) Heidi makes use of what she has learned. It is a novel about the events in the life of a young girl in her grandfathers care, in the Swiss Alps. It was written as a book for children and those who love children (as quoted from its subtitle) in 1880 by Swiss author Johanna Spyri. A Gift Edition was published in 1919. The Heidi book is among the best-known works of Swiss literature.
