

Catskill Trails

Printed in vibrant color on waterproof and tear-resistant Tyvek, this completely revised, digitally-produced six-map set is a must-have for anyone who wishes to explore the many trails and protected lands in the Catskill region. The maps in this set feature:

- * All designated trails within Catskill Park
- * All 35 peaks in the Catskills over 3,500 feet in elevation
- * 50-foot elevation contours
- * 1:63,360 scale (1 inch = 1 mile)
- * Convenient map sizes to carry and use on the trail
- * Inset map of popular North Lake area
- * Mileage directly on the trails
- * Detailed trail index and guide on the map backs
- * State land and New York City DEP watershed land boundaries
- * Marked trails, including the Long Path and Finger Lakes Trail
- * Unmaintained trails and woods roads
- * Shelters/lean-tos and fire towers
- * Springs, waterfalls, viewpoints, and other points of interest
- * Parking areas
- * Campgrounds and primitive campsites
- * Park contact information and regulations
- * UTM grid with latitude/longitude markings and magnetic-north navigation lines

Built on more than 75 years of mapping experience, New York-New Jersey Trail Conference maps are your source for reliable trail information in the New York-New Jersey metropolitan region. These maps are Made By the People Who Make the Trails and are regularly updated with changes to the trails.
