

History and Renaissance of the Grand Canal from Beijing to Hangzhou (Hardback Edition) (Chinese Edition)

The book puts the development of the Grand Canal from Beijing to Hangzhou into the environment of historical evolution. It introduces the history and achievements of China's artificial rivers and canals. It begins from the excavation of artificial rivers and canals in Xia Dynasty and Zhou Dynasty and connects the entire historical evolution from the Spring and Autumn period, Qin Dynasty and Han Dynasty, Wei, Jin, Northern and Southern Dynasties, Sui, Tang, South and North Song Dynasties, Yuan, Ming and Qing Dynasties, the Republic of China, and the anti-Japanese war, to the founding of New China. Through introducing the historical background, the book presents the development and effect of canals.
