

## Kim (Illustrated)

This novel is about an orphan boy of Irish parents who earns his living by begging in streets. This book is a brilliant manifestation of Indian culture, religions, superstitions, people bazaars and traditions.

He sat, in defiance of municipal orders, astride the gun Zam Zammah on her brick platform opposite the old Ajaib-Gherthe Wonder House, as the natives call the Lahore Museum. Who hold Zam-Zammah, that fire-breathing dragon, hold the Punjab, for the great green-bronze piece is always first of the conquerors loot.
