

Silas Marner

Silas Marner is the weaver in the English countryside village of Raveloe in the early nineteenth century. Like many weavers of his time, he is an outsider the object of suspicion because of his special skills and the fact that he has come to Raveloe from elsewhere. The villagers see Silas as especially odd because of the curious cataleptic fits he occasionally suffers. Silas has ended up in Raveloe because the members of his religious sect in Lantern Yard, an insular neighborhood in a larger town, falsely accused him of theft and excommunicated him.
