

The Trail of the Sandhill Stag: And 60 Drawings

Accompany Yan, a young hunter, on his incredible journey over the mountains, through swamps, and many frozen nights for the most spectacular buck, the Sandhill Stag. Follow the stag through the thickest forests, deepest snows and the coldest nights, while eluding his foe. Experience the lessons they learn from each other and in the end, who will triumph. Author Seton, whose illustrations complement the text, was Naturalist to the Government of Manitoba.
