It was written while Bunyan was serving a twelve-year prison sentence in Bedford gaol for preaching without a license and was first published in 1666. The title contains allusions to two Biblical passages: Grace Abounding is a reference to Romans 5:20, which states Where sin abounded, grace did much more abound (KJV) and Chief of Sinners refers to 1 Timothy 1:15, where Paul refers to himself by the same appellation.
