

Robinson Crusoe Junior Deluxe Editions

This is the Junior Deluxe edition of Robinson Crusoe by Daniel Defoe. The vivid cover playfully catches the young readers eyes. This edition includes illustrations, to encourage young readers imagination. The sole survivor of a shipwreck, Robinson Crusoe is washed up on a desert island. In his journal he chronicles his daily battle to stay alive, as he conquers isolation, fashions shelter and clothes, enlists the help of a native islander who he names Friday, and fights off cannibals and mutineers. Written in an age of exploration and enterprise, it has been variously interpreted as an embodiment of British imperialist values, as a portrayal of natural man, or as a moral fable. But above all is a brilliant narrative, depicting Crusoes transformation from terrified survivor to self-sufficient master of an island.
