

Kenilworth

Kenilworth. A Romance is a historical novel by Sir Walter Scott, first published on 8 January 1821. Kenilworth is apparently set in 1575, and centers on the secret marriage of Robert Dudley, 1st Earl of Leicester, and Amy Robsart, daughter of Sir Hugh Robsart. The tragic series of events begins when Amy flees her father and her betrothed, Tressilian, to marry the Earl. Amy passionately loves her husband, and the Earl loves her in return, but he is driven by ambition.
